

# SOFT

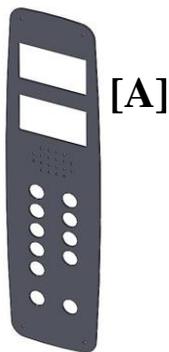

## *Assembly Instructions*

Rev.01 del 13/10/2014

## Package contents:

[A] Plate

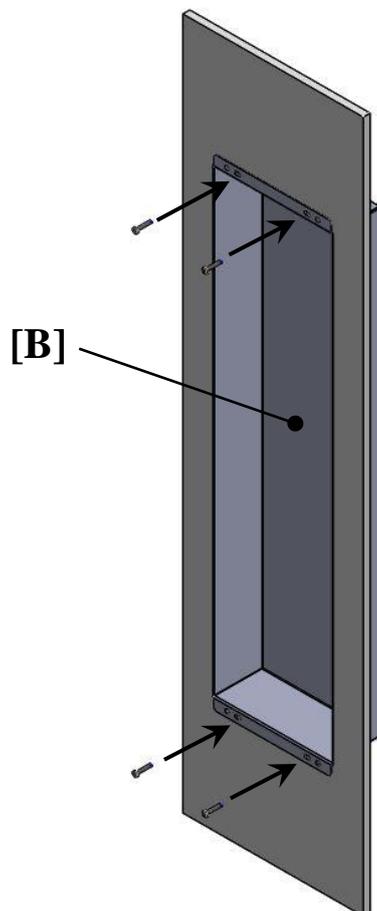

[B] Box

[C] Metric screws 4x12 mm

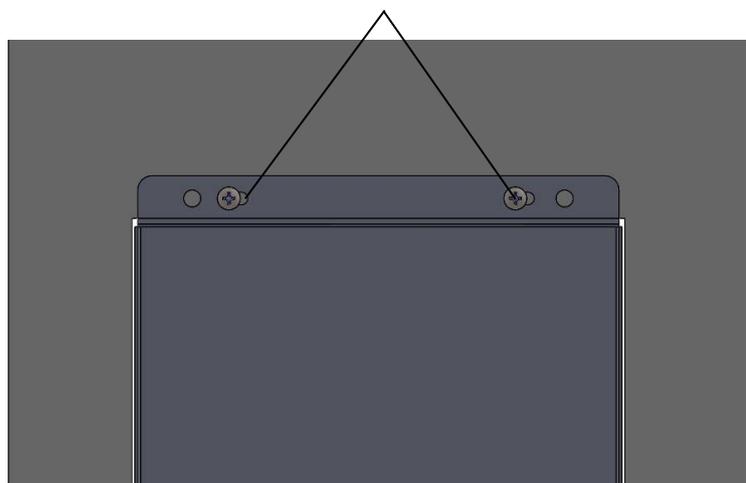

### STEP 1

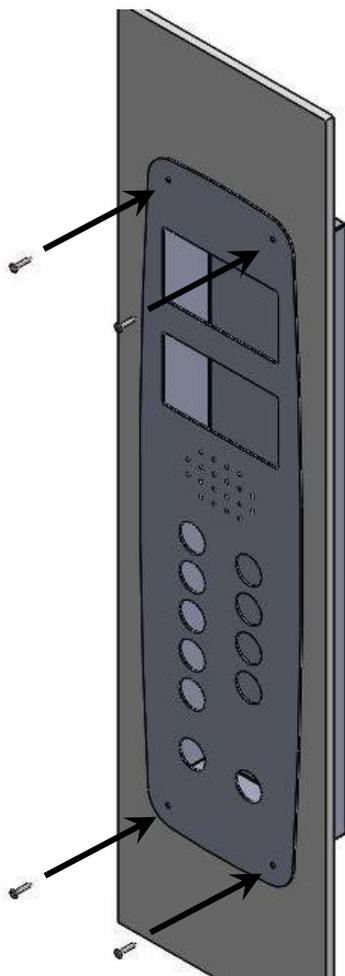

- Place the box [B] in the appropriate wall recess;
- Fix the box to the wall by screwing the 4 screws into the provided slots.

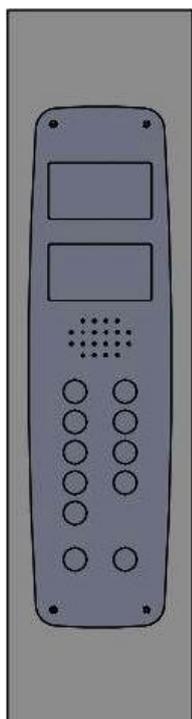

#### Box fixing slots

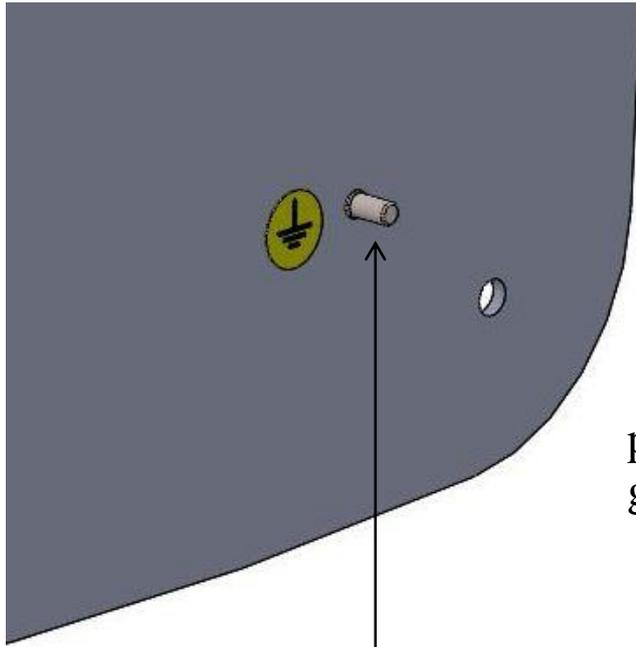

### STEP 3

- Place the plate on the wall by matching the 4 holes on the plate with the 4 holes on the box;
- Insert the screws provided in the holes, as shown in the photo, and then screw to fix the plate.

-The result is shown in the photo.

- Connect the appropriate cable at the point shown in the photo to make the ground connection of the plate.
